

THIS WEEK'S ACTIVITIES (11/28-12/2)

SPELLING—Word Wall Words, test on Thursday

MATH—timed tests (+/-), multiplication/division, (\times/\div) fact families, arrays, practice of multiplication facts, problem solving using drawings/manipulatives/number models

READING/LANGUAGE ARTS—The Stories Julian Tells, whole group/small group/partner/independent reading, vocabulary, Google Docs slideshow presentations, sequencing, summarizing, multiple meanings, poetry writing (Haiku), cursive review (T, F, I, J)

SOCIAL STUDIES—timelines

SCIENCE—animal research (to be reported in an iMovie)

IMPORTANT NEWS

- * New spelling words come home Friday (12/2).
- * Our class visits the Santa Shop next Tuesday afternoon (12/6) at 1:40.
- * Be sure to start practicing those multiplication facts! We will begin fact tests next week ($\times 2$, $\times 3$, $\times 4$ and so on). Students will move at their own pace and move on to the next level as they master each fact test.
- * Keep practicing those songs for the holiday concert. Mrs. Howe would appreciate it!
- * Happy Birthday to Paige (12/3) ☺!

Our classroom email address is msalco@fairview.k12.oh.us.

Have a **fantastic** week!

Happy December!
